Cancellation/No Show Policy

Successful therapy is dependent on a strong working relationship between the patient and the therapist. Maximum progress and success are made when the patient is an active participant in their home exercise program and attends all appointments.

Danville Physical Therapy requires a 24-hour notice for ALL cancellations. There may be a fee assessed which is not covered by insurance and would be an out-of-pocket expense for cancellations without proper notice.

If a cancellation is unavoidable, we do ask that you give us as much notice as possible so we may offer that appointment time to another patient.

- If you arrive later than 15 minutes after your scheduled appointment time, we may ask you to reschedule.
- After more than one cancellation or no show, we require that you call the day of for an appointment.

2 "no show" appointments may result in discharge from therapy.
